## ASPHALT REPAIRS

July 9, 2008

Dear Residents:

We have hired CASI asphalt to start repairs on the parking lot. They will be working in two phases. The first phase will affect buildings 2901, 2903, 2907 and parking space 2909 #A. The second phase will affect 2927, 2929, 2923 and the guest spots by the east mailbox. The following is the schedule:

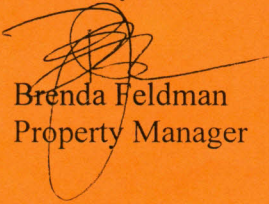

**Phase one- July 15<sup>th</sup>-19<sup>th</sup>- 2901, 2903, 2907 and parking space for 2909 #A- All cars must be removed by 7:00 am on the morning of July 15<sup>th</sup> and cannot park in the area until after the 19<sup>th</sup>. Any cars left in this area will be towed at the owner's expense.**

**Phase two- July 21<sup>st</sup>-26<sup>th</sup>- 2927-including guest spots across from this building, 2929, 2923 #F and 2 guest spots to the southeast of #F, guest spots in front of the east mailbox. All cars must be removed by 7:00 am on the morning of the 21<sup>st</sup> and cannot park in the area until after the 26<sup>th</sup>. Any cars left in this area will be towed at the owner's expense.**

Please keep in mind if you use guest spots around these buildings you will not be able to use them during the above dates. If you are used to going out the east entrance this may be blocked so you may want to use the west entrance by 2991 until the work has been completed.

We appreciate your cooperation during this time. If you have any questions please give me a call.

Sincerely,

  
Brenda Feldman
