IMPORTANT NOTICE TO ALL OWNERS

It has been brought to the Board of Director's attention that more and more residents are disposing of their trash in the common areas; i.e., drainage ditches, in front of units, etc. This behavior will not be tolerated.

In the future, anyone identified as leaving trash in the common areas will be **charged for the pickup and disposal of the trash and will be subject to fines.**

Your trash container(s) are to be placed in front of your unit (not your neighbor's) in closed-lid containers. If you have large items to be picked up, please contact Alpine Waste at 303/744-9881 to make arrangements for a special pick up.

Do not put your trash out before late Wednesday afternoon and remove your trash containers from the sidewalk by the end of the trash pickup day.

If you have tenants, please share this information with them.

If you have any questions, please call Marilyn at 303/221-1117, ext. 105.
