

# COBBLESTONE VILLAGE

## NEWSLETTER

### Rats!

Im sure as many of you know, we are visited by many critters, squirrels, rats, mice and raccoons. Please help by doing your part by keeping your trash covered and not leaving any food out, this includes bird feeders. We live in a beautiful place, please show pride in the community by keeping it tidy and rodent free!

### Potluck in the Park

The last day of summer is quickly approaching, lets all get together to celebrate the end of Summer while getting to know your neighbors! Mark your calendars for **September 30th at 5:00pm** at the Cobblestone Park. Please bring your favorite treat or meal to share with people in the community!

### Neighborhood Watch

**Interested in participating in Cobblestone's Neighborhood watch? If you would like to be part of making our community a safer place to live and call home, please email Amy at [amym26@gmail.com](mailto:amym26@gmail.com)**

## New Board, Big Plans!

If you weren't able to attend our annual meeting on Saturday, August 26th, no worries, newsletters were made for that! We had our biggest turn out yet! The community voted in two new board members, in addition to the 3 current board members who are within their term. We also discussed change in our maintenance company, working together as a community, forming a neighborhood watch, HOA fees and our plans moving forward. The goal of the board is to create more community involvement and unity and also to establish a more transparent board. There is so much happening here and we want your input! Please note our October board meeting will be held on October 4th at 6:30pm. Your voices and opinion are what will drive us into a better Cobblestone Village, please mark your calendars and make this a priority. In the meantime, please join us at our Potluck in the Park on September 30th at 5:00pm. Also, consider learning more about our Neighborhood Watch Program. Feeling safe where we live is our highest priority, please come out and help! Other sources for staying involved: The Nextdoor app or [cobblestonevillagehoa.org](http://cobblestonevillagehoa.org)
